## ***Institute of Computing*** **ON-THE-JOB TRAINING WEEKLY REPORT**

**Date Covered:** February 3-6, 2026

**Name:** James Bryan Corteza

**Assigned Area:** City Government of Tagum – City Information and  
Communication Technology Management (CICTMO)

**Assigned Tasks:**

- Studying for Vue.js
- Preparing necessary apps for coding

**Reflection:**

This week I am assigned at the Programming department, We were briefed that we will be making 2 systems, a new one and the other will be continued by us programmers.

The task given to us for the whole week is to study and familiarize with their preferred framework which is vue.js. Next week will be our Research and Design
