

Mechanics for the Promotional Video Competition

1. The Promotional Video Competition is open to all participating 3rd Year BSIT student groups enrolled in ITSPEC4 – Technopreneurship.
2. Each team shall create a promotional video showcasing their proposed application, highlighting its purpose, features, benefits, and target users.
3. The promotional video must have a maximum duration of 1 minute only. Videos exceeding the time limit may incur deductions or disqualification.
4. The video must be original and created by the participating team. Any copyrighted or inappropriate content must be properly credited or avoided.
5. Teams are encouraged to demonstrate creativity, innovation, and effective storytelling in presenting their proposed application.
6. The promotional video may include narration, animation, screen recordings, motion graphics, interviews, or other multimedia elements.
7. Submitted videos must be in a compatible digital format (e.g., MP4) and submitted on or before the deadline set by the organizers.
8. Judges will evaluate entries based on the approved Promotional Video Criteria and scoring rubric.
9. The decision of the judges shall be final and irrevocable.
10. Any form of plagiarism, offensive content, or misrepresentation may result in deductions or disqualification upon the discretion of the organizers and judges.
