

Mechanics for the Pitching Competition

1. The Pitching Competition is open to all participating 3rd Year BSIT student groups enrolled in ITSPEC4 – Technopreneurship.
2. Each team shall present their startup idea, business concept, and technology-based solution through a formal pitch presentation.
3. Each group will be given 7–10 minutes for the pitch presentation followed by 3–5 minutes for the Question-and-Answer portion.
4. All members are encouraged to participate during the presentation and Q&A session.
5. Teams must prepare a professional pitch deck highlighting the following:
 - * Problem and proposed solution
 - * Value proposition
 - * Target market
 - * Business model
 - * Innovation and technology used
 - * Potential impact and scalability
6. Presentations must observe professionalism, proper decorum, and respectful communication throughout the event.
7. The order of presentation shall be determined by draw lots or assigned schedule by the organizers.
8. Judges will evaluate presentations based on the approved Pitching Competition Criteria and scoring rubric.
9. The decision of the judges shall be final and irrevocable.
10. Any form of plagiarism, offensive content, or misrepresentation may result in point deductions or disqualification upon the discretion of the organizers and judges.
